Docking and desk stand			
Tablet dock		<p>Designed to transform the STYLISTIC ST Series into a complete desktop solution, the tablet dock holds the unit for easy viewing and provides full access to all desktop features. The tablet dock is innovatively designed to firmly latch to the back of the tablet PC, allowing you to easily swivel from portrait to landscape mode. When you're ready to take your tablet PC and go, it can be safely removed from the tablet dock whether it is operating or not.</p> <p>The tablet dock provides:</p> <ul style="list-style-type: none"> RJ-45 port for 10/100/1000 Mb Ethernet external monitor 3 USB 2.0 ports IEEE 1394 port line out DC input power 	
	S26391-K420-L200	With Super Multi Drive	
Desk stand, (foldable)	S26391-F2592-L700	<p>This lightweight desk stand holds the STYLISTIC ST Series for convenient use as a desktop. The desk stand folds flat and can easily be stowed and transported on the back of the wireless keyboard.</p>	
Special Tablet PC Cases			
Bump case	S26391-F2584-L300 (fits for both types of batteries)	<p>This padded case protects your STYLISTIC ST Series while providing full user access to the display, tablet buttons, suspend/resume button, DC-input power and I/O connectors. Includes pen holder, handstraps and detachable shoulder strap.</p>	
Bump case Mobilis	S26391-F2584-L400 (fits for both types of batteries)	<p>Through sophisticated conception this padded case offers enhanced bump protection for your STYLISTIC ST Series while providing full user access to the display and interfaces. Easy to carry with grips, foldable lid for screen-protection. Including pen holder, handstrap</p>	

Special Tablet PC Cases			
<p>Portfolio case</p>	<p>S26391-F2584-L200 (fits for both types of batteries)</p>	<p>The most professional look, perfect for carrying your STYLISTIC ST Series while you go from meeting to meeting. The portfolio is made of leather and it's book style cover gives your highly sophisticated tablet PC the classic look of a traditional paper bound organizer. The tablet PC is securely held in the portfolio with straps without blocking any part of the screen and allowing access to essential ports. Creatively designed to easily allow you to use your STYLISTIC ST Series while standing and inputting data or sitting and taking notes. The interior features pockets to hold the wireless keyboard, A4 size documents, business cards, plus a pen holder</p>	
<p>Harsh case</p>	<p>S26391-F2584-L350 (fits for both types of batteries)</p>	<p>Made for users who don't want to worry about a little dust, a splash of water or a little bump while using their STYLISTIC ST Series. This tough nylon case is custom designed to snugly fit your tablet PC and provides protection against water, dust and other hazards while transportation, usage or storage. The case features a clear window over the display and allows access to suspend/resume button, status LEDs, tablet buttons and navigation buttons. Velcro enclosures make insertion and removal quick and easy. Includes pen holder, handstraps and detachable shoulder strap.</p>	

Input Devices			
Logitech Bluetooth Mouse	LTC:M-RBB93** (*: country specific variation)	For wireless connection: Bluetooth™ mouse for STYLISTIC ST Series with integrated Bluetooth receiver.
